From the Principals:

As you know, we focused on “kindness” this week. We demonstrated this as a Mueller family and our students saw the ripple effect of simple care and thoughtfulness toward each other. We celebrate and recognize our students showing care for others as often as we can. Thank you for partnering with us to continue this “culture of kindness” both at school and at home. Together we can foster a deep sense of self-worth and self-esteem in our students.

Last night, we celebrated learning as a Mueller family with Family Game Night. Fun was had by all in attendance! We’ll have several occasions this semester to come together to celebrate our students, enjoy learning, and have fun doing so! As we think about the holiday this month, it brings another chance to show those we love how much we care. Our PTO Valentines Dance on Feb. 8, and the classroom Friendship Parties on Feb. 14 are two wonderful opportunities to show our students how much we care about them. We hope you’ll join us!
