## From the Principals:

Wow! There is a lot of fun and learning going on at Mueller!

We hope all students participate in the Great Kindness Challenge next week. It is so important for us as parents and educators to instill core values, such as kindness, in our children from an early age. We know when we work together to prepare our children to be strong, educated and caring adults, only good things will come of it.

Thank you for partnering with us to foster this environment.
