Principals' Corner:

We have been in school for 8 weeks. Now that schedules and routines have been established, we want to stress the importance of every student being on time every day and ready to shine. School begins at 8:05, and we appreciate your efforts to have your child here on time.

Our expectation is that every student arrives before the tardy bell; your student should be in class by the time it rings at 8:05. Thank you, as always for partnering with us to make Mueller Elementary a wonderful place to grow and learn.
